

## **Be Still**

*- a new lyrical setting to the well known hymn "Be Still For the Presence of the Lord"*

By Jordan Redding

Be still for the presence of the Lord,  
the Holy One is here.

Come bow with knee to earth,  
with reverence draw near.

On earth God's life abounds;  
we stand on holy ground.

Be still for the presence of the Lord,  
the Holy One is here.

Be still for the glory of the Lord  
is shining all around.

Sustained with celestial fire,  
with splendour earth is crowned.

How awesome is the sight:

This world God's making right.

Be still for the glory of the Lord  
is shining all around.

Be still for the power of the Lord  
is moving through this place.

God comes to cleanse and heal,  
to minister with grace.

Making the whole world new,  
God's life with me and you.

Be still for the power of the Lord  
is moving through this place.
